

PATIENT ASSISTANCE PROGRAMS & CO-PAYMENT ASSISTANCE PROGRAMS: RESOURCES FOR nPEP (Updated: July 2025)

The following was compiled by resources including HIV.gov to help individuals needing help covering costs for HIV nPEP (non-occupational post-exposure prophylaxis). Pharmaceutical companies can offer patient assistance or co-payment assistance programs as sponsorship for the meds they make. The Erie County Department of Health are not endorsing but providing an overview of programs that are publicly available.
